Welcome to ABC Real Estate

ABC Real Estate is an independently owned real estate company located in Playa Tamarindo. ABC offers the entire spectrum of real estate including ranches (fincas), development and investment properties, condominiums and luxury homes. Our area of concentration is the Guanacaste Province, which is located on the North Pacific Coast of Costa Rica.

We at ABC understand the enormous value of providing accurate and reliable information; especially important when making foreign real estate investments. International interest in Costa Rican real estate requires an understanding of how to work effectively in a multicultural environment. The agents of ABC Real Estate possess these skills and offer them with a friendly and personal touch.[Read more...](#)
