

Career With ABC Real Estate

Real Estate Consultant in Playa Tamarindo

- ° You are between 30 and 60 years old
- ° You have your own car (preferably 4x4)
- ° You have Costa Rican citizenship or residency
- ° You speak English, Spanish, and any other languages

Further and ideally, you are a Costa Rican citizen or have been residing for more than one year in Costa Rica, and are experienced in Latin America, or at least in one foreign country.

You are experienced in sales and you don't mind going the extra mile, not afraid of challenging tasks, and happy to prove that you are able to exceed expectations.

You have no interest in opening your own office, but you like to work independently as your own boss, and require no monthly salary, but want the most competitive income structure within our industry.

You are willing to go through a basic training period and are able to survive at least six months, preferable one year, without having to make a sale.

If you already work in real estate as an agent, realtor, or broker but are not satisfied and looking for better opportunities, consider ABC.

If this is interesting to you, please contact Jogi or Verena and provide your curriculum with your picture. All inquiries will be held strictly confidential.

Please note:

ABC is a leading company in the Costa Rican real estate industry. ABC has a unique company culture with discipline; Strong values and standards are special to us - values that create a sense of belonging. We can offer an environment where everyone is part of the team - there are no barriers between management and co-workers and we believe in leadership by example.

Each member of our staff cares about customers and colleagues - people. Honesty and integrity is essential and very important to us. Teamwork is key to other colleagues in and outside of ABC Real Estate.

We seek to work with somebody well established in their personal life as well. If you believe all this matches your requirements, please inquire about joining our team at ABC Real Estate!
